stephanianevedo

Manager and nutritionist with a big interest in the tech industry. Creator of Nutrinevado Nutrition and co-founder of Nutreto. Currently going through a career change and studying frontend development since May 2021.

I love to code - it was an amazing discovery for me. I'm really eager to learn new things and excited to start contributing as soon as possible.

COURSES

- Front End Development Libraries **certification** →
- JavaScript Algorithms and Data Structures **certification** →
- Hack Reactor: JavaScript Workshop
- Responsive Web Design **certification** →

PROJECTS

CO-FOUNDER NUTRETO

I wanted to try out creating a HealthTech product and get more hands-on experience by taking a digital product from idea to release. Nutreto is a cloud-based platform for nutrition and health, usable for both patients and clinics. Check it out at nutreto.com!

PORTFOLIO

My portfolio showcasing some front-end web development projects. Built with Next.js, React, styled components, flexbox, Figma.
